

THE HESHKA STAR

Each point on the **Heshka** Star represents one of our 5 core company objectives.

- ★ **Safety** - Maintaining a safe work environment and producing a safe product.
- ★ **Customers** - Keeping our customers satisfied and understanding their needs.
- ★ **Quality** - Providing and maintaining the best quality possible in our products.
- ★ **Improvement** - Continuously improving current products and innovating new products.
- ★ **Conformance** - Conforming to all applicable API standards in the oil and gas industry.
